## **Welcome to the Twelfth International Dublin Gay Theatre Festival!**

**When** we started in 2004 we didn't hope to reach our 3,000th performance which we proudly present this year. Here in IDGTF we have hosted the world's biggest and most diverse gay theatre festival and continue to welcome artists and audience regardless of their sexual identity. We welcome and include everyone! We want you to enjoy our theatre because it is good theatre. This Festival is for you, about you, your family, friends and communities. We are all parts of the arts. Now we have another chance to see LGBT culture on our stages in new writing from Ireland, UK, USA, Canada, South Africa,

Iceland and Russia for a fortnight May 4th-17th. Thank you to The Mercantile Hotel, Pisces Print and RTE Supporting the Arts and our great team of volunteers for keeping us going!

The Festival is still wearily under-resourced. We need your talents to help LGBT talent to continue to shine! We can not develop it or push out the boundaries of our theatrical identity in the way we are capable of doing. We acknowledge the support of the Arts Council, Dublin City Council, Failte Ireland which has maintained us barely at survival level for over a decade. I am not sure how much more 'survival' is in our generous volunteer led event, realistically at that level of funding. We get combined funding of 75 euros per performance and everyone knows that is funding at an unsustainable level. We have no staff, office, desk or chair - all we have is our great and unique commitment to diverse theatre! Our resourceful companies are most welcome again this year. They make great sacrifices to celebrate gay theatre in Dublin. They love the opportunity we provide. Your support is vital in keeping us alive! Festival 2015 presents a great value programme of love, laughter, politics, history, music and dance. It is for everyone to enjoy, but especially you! Thank You!
